SUBJECT: Certified Laboratories for Tuning Forks

The purpose of this letter is to provide confirmation of the certified laboratories for tuning fork testing. This confirmation lists both In-State and Out-of-State laboratories. Tuning forks shall be recalibrated at least once every six months by the manufacturer's qualified laboratory or by a laboratory listed in this letter as certified by the Division of Consolidated Laboratory Services (DCLS) to calibrate and certify tuning forks used for testing the accuracy of radar equipment used in the Commonwealth of Virginia according to the Code of Virginia Section 46.2-882 and The International Association of Chiefs of Police (The IACP) standards.
