

## Changes to ARRA Special Terms and Conditions

ARRA funded procurements require certain special terms and conditions to be included in all procurements. These Ts & Cs are available on the *eVA* Home Page under the *ARRA* Informational Section and have been developed based on the Federal *ARRA* guidance and in consultation with the Office of the Virginia Attorney General.

Individual Federal agencies issuing *ARRA* funding may have additional Ts & Cs that may have to be included. Guidance received with the funding must be carefully reviewed by agencies

**Changes to the *ARRA* Special Terms and Conditions will be listed on this page and will be incorporated into the *ARRA* Terms and Conditions document in the *ARRA* Information Section of the *eVA* homepage as they become effective.**
